[Google Patent Search Help](#)Patents Showing: View as: Patents **11 - 20** on **single molecule sequencing**.[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)**Method for rapid base sequencing in DNA and RNA**

US Pat. 4962037 - Filed Oct 7, 1987 - United States of America

A method for base **sequencing** of DNA or RNA fragments, comprising the steps of:... As noted by Shera, supra, data handling in the **single molecule** detection ...**Single molecule identification using selected fluorescence characteristics**

US Pat. 6049390 - Filed Oct 9, 1998 - Regents of the University of California

An immediate application is to **single molecule** DNA **sequencing**. **Sequencing**

multiple identical DNA strands individually and combining the results to form a

...

Method for determining nucleic acids base sequence and apparatus therefor

US Pat. 6136543 - Filed Jul 30, 1999 - Hitachi, Ltd.

The sample DNA 7 is introduced into the buffer solution in the cell, and the

nonmagnetic bead 5 attached to the **single DNA molecule** is captured in the field

...

Single molecule detection by in situ hybridization

US Pat. 5866331 - Filed Oct 20, 1995 - University of Massachusetts

SINGLE MOLECULE DETECTION BY IN SITU HYBRIDIZATION STATEMENT AS TO FEDERALLY**SPONSORED RESEARCH** Work on this invention was supported, in part, ...**Methods and products for analyzing polymers**

US Pat. 6355420 - Filed Aug 12, 1998 - US Genomics

30 Report on the **sequencing** by hybridization workshop. Genomics, 13:1378-1383.24. Castro, A. and Shera, EB 1995. **Single-molecule** electrophoresis. Anal. ...**Unimolecular segment amplification and sequencing**

US Pat. 6143495 - Filed Nov 21, 1996 - Yale University

Primer Extension **Sequencing** Following amplification, the nucleotide sequence ...The interrogation primer can be a pre-formed **single molecule** or it can be ...**Applications of fluorescent N-nucleosides and fluorescent structural analogs ...**

US Pat. 5763167 - Filed Mar 21, 1994 - Chromagen

A hybridization complex consisting of a polynucleotide **molecule** ... order suchthat (a) a **single molecule** of said isolated polynucleotide **molecule** will not ...**DNA sequencing by mass spectrometry via exonuclease degradation**

US Pat. 5622824 - Filed Feb 10, 1995 - Sequenom, Inc.

The application of mass spec- trometry for DNA **sequencing** has been investigated... A **single molecule** of a DNA or RNA fragment is suspended in a moving flow ...**Unimolecular segment amplification and sequencing**

US Pat. 6329150 - Filed Jun 23, 2000 - Yale University

Primer Extension **Seauencia** Following amplification, the nucleotide sequence ...
